The Right Fit:

- In our Sunday morning worship, we are multi-generational, outreach-minded, yet believer-focused.
- We are a church that is part of the Evangelical Covenant Denomination and are distinctively evangelical, biblical, and missional. We are a church that strives to embody unity and charitable orthodoxy.
- We believe corporate worship is our means of glorifying God but also God’s means of realigning our hearts with His. To that end, we encourage personal participation in worship rather than a spectator mentality. We desire a growing worship environment where more and more people are engaged in true, sacrificial worship of Jesus Christ.
- We believe that out of a vibrant relationship with Jesus, we impact the world. We believe that as we grow deeper in our love for Christ, we grow more effective at serving a hurting world.
- This is a full-time position but for the right person we may consider a part-time appointment.
