

Our heart for you this morning is that you will experience both the warmth of our church family and the wonder of God's presence. Our hope is to meet you where you are, but not leave you there. Our prayer is that you will be drawn into a deeper relationship with Jesus, that you will drink from the spring of the water of life.

**WELCOME**

If you are a guest with us we invite you to pick up your gift bag at the Welcome Center in the Foyer!

In January 2008 we embarked on an amazing adventure with Sarah Milner Elementary school. This adventure, Kids Hope USA, has greatly blessed the lives not only of the students and their families, but also the staff at the school, as well as the LifeSpring mentors, prayer partners and substitutes themselves. Please take some time to connect with one of our special volunteers and listen to how God has moved in them through this ministry. Take some time to ask God if YOU might be the friend one of the five children on our waiting list is looking for. Most importantly, please continue to pray for the 30 students we are currently serving. One hour at a time we are changing lives, and when you change a life, that's no small change!

**Mission Trip to Casa Hogar**
